Meeting Logistics Survey

- A survey was sent out to make sure the current meeting date/time/location still works, and it does. **No meeting in July.**

- Sent out a survey to all Sherburne County pharmacies to see if they would continue to provide info on our prescription drop boxes. Five retailers responded and four advised they would like to have something to give out.
- Discussion was had on ordering more disposal site magnets and including Princeton’s location (1000 magnets was \$384 last time). **Rox will have Alicia send out a volunteer request for members to approach their pharmacies.**
- The survey also asked about putting up permanent signage. Rox asked members to provide suggestions about how it would work in the pharmacies they go to. Melissa commented that many do not have wall space to display a poster.
- Angie suggested including an educational piece about why it is important to dispose of the drugs properly.
- Melissa also suggested asking healthcare providers to put posters in the patient exam rooms.

County Compliance Check Policy

- Roxanne advised the county has not updated the ordinance process for many years, but they are now in the process of doing so. Jennifer advised that the County Attorney’s Office, HHS, and the Sheriff’s Office are working together. Currently, there are no clear consequences or guidelines for non-compliance.

SUP Strategic Plan

Revised Objectives

The Executive Board met and reviewed proposed changes to the Strategic Plan.

Note: The Strategic Plan addresses our target substances with long-term, intermediate, and short-term objectives to ensure we are making an impact on youth substance use in our community.
