Rachel Hilyar will be replacing Judy Johnson at Elk River School District. Molly Wiemann is no longer the TXT4Life Coordinator. **SUP leadership nominations will be in December.**

- Roxanne advised she attended a crime prevention conference, which highlighted opioid use. She learned that [CVS](#) recently started handling opioid prescriptions differently where they break the prescription down into weekly dispensing. She also learned that Hennepin County has a list of medical providers who are onboard with promoting better prescribing practices.

Marijuana Strategizing

Roxanne asked all members to think about events where we could or should have a presence with a table or presentation. Example: Roxanne advised she and Alicia are going to Big Lake High School to give a presentation to staff on marijuana use. Alicia will also be going to the quarterly township meeting tonight. Discussion was had about all of the ideas the group came up with. Alicia asked that members reach out to the various groups that were suggested to determine presentation logistics (where, when, time, purpose, and presenters). Please see attached list with suggestions.

Roxanne mentioned having 1-2 marijuana workshops for all sectors to attend. Asked if we thought it was worth trying to do two throughout the year. Discussion was had about this and it was decided to table this idea for now as targeted presentations were preferred.

Alicia advised the “Live Above the Influence” poster with facts about youth marijuana use are being printed to be posted in the schools.

Coalition Satisfaction Survey Results

Roxanne went over the results of the coalition satisfaction survey. Discussion was had about the results. Roxanne asked members to continue to think about who we are missing and/or needing at the coalition table.

Alicia advised that recruitment will be addressed at the upcoming Executive Board meeting on 10/30 to bring new members up to speed on what the coalition is doing.

Year-End Report
